Dear Sir or Madam:

I am writing to highly recommend Anick and Associates to you for advice and assistance in initiating a 501(c)3 organization. As one of the founding principals of StreetLife Communities, Inc., I had the pleasure of working with Stacy Anick, and Anick and Associates in starting up our organization and filing for our tax-exempt status. Stacy walked us through all of our options and laid out a plan for gaining our tax-exempt status. She made us feel comfortable, and by the time we were ready to initiate, we felt knowledgeable about the process as a direct result of her counsel and encouragement.

Anick and Associates greatly sped up our time table for receiving our tax-exempt status. They kept us abreast of developments in the process in a very timely manner. They made our part of the process extremely simple. And we received our status in a comparatively short period of time thanks to their professionalism and know-how. Everyone at Anick and Associates was a pleasure to work with, always making us feel welcome and comfortable.

I highly recommend Anick and Associates to you. Please feel free to contact me directly if you need more information. Thank you for your consideration.

Sincerely,

Max Ramsey
